

Key Investment Promotion Projects of Hubei in 2022

No.	location	Project Name	Industry Category (Classified	Industry Category (Classified by	Project Description	Estima ted invest	Way of invest ment	Investmen t cycle (years)	Contact and cell phone numbers	Notes
1	Xiaogan	High-end Equipment Manufacturing Industrial Park	Manufacturi ng industry	High-end Equipment Industry	Xiaogan High-tech Zone is a national demonstration base for new industrialization, with a solid foundation for high-end equipment industry. It has gathered enterprises such as Sanjiang Aerospace Feng Hong Control, Sanjiang Boat Technology, Honglin Exploration and Control, and scientific and technological enterprises such as Kyushu CNC, Weixiang CNC, Songlin International and SFTUAV. The built-up area of the park is about 2,000 mu, with well-established infrastructure such as water and electricity, and	60	Solely- investe d	5	Zhou Si 15072632422	

2	Xiaogan	Military-civilian Integration Industrial Park	Manufacturing industry	High-end Equipment Industry	Xiaogan High-tech Zone is a national industrialization demonstration base in integration of defense and civilian technologies. Relying on the existing subsidiaries of China Aerospace Science and Industry Corporation and China Ordnance Equipment Group, the industrial park gives full play to its advantages as a major military industry city in Hubei Province, focusing on the introduction of major industrial projects in integration of defense and civilian technologies, the construction of public service platform in integration of defense and civilian technologies, the transfer and transformation of military technology, and the restructuring of enterprises in integration of defense and civilian technologies. The park mainly intends to introduce projects for integration of defense and civilian	50	Solely-invested	5	Xu Mi 18986498399

3	Xiaogan	Japanese Business Industrial Park	Manufacturing industry	High-end Equipment Industry	"Hubei (Xiaogan) Japanese Business Industrial Park" is the first Japanese Business Industrial Park approved by Hubei Provincial Department of Commerce. Relying on the market-oriented construction and operation mode, it attracts foreign-funded enterprises to gather through flexible ways such as customized construction of factories, leasing or agreed repurchase. At present, a core area of 1,000 mu has been built, and 30 Japanese-funded enterprises such as Yazaki, one of the world's top 500 enterprises, Koito, the world's No.1 auto lamp industry, and TS GROUP, one of the world's top 100 auto parts enterprises, have been introduced. The park	150	Solely-invested	5	Zhou Si 15072632422

4	Xiaogan	Optoelectronic Information Industry Project	Manufacturing industry	Optical Communication and Laser Industry	<p>Xiaogan High-tech Zone Optoelectronic Information Industry Cluster is one of the key industrial clusters in Hubei Province, second only to Wuhan Optics Valley in scale. Its photoelectric imaging, optical instruments and optical-mechatronics are leading in China, and it occupies 70% of the national market in high-precision optical measuring instruments. As a key priority industry in Xiaogan High-tech Zone, an industrial development plan with high standards has been formulated for the electronic information industry. The park covers an area of about 5,000 mu and gathers more than 50 enterprises such as Huagong Gaoli, Huagong Zhengyuan, Huazhong Optoelectronics, Hanguang Technology and TDK. Xiaogan</p>	150	Solely-invested	10	Luo Feng 19971081086	
---	---------	---------------------------------------------	------------------------	------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----	-----------------	----	-------------------------	--

5	Xiaogan	Laser Industrial Park	Manufacturing industry	Optical Communication and Laser Industry	Laser Industrial Park Project is an innovative investment model in the High-tech Zone and a demonstration project of park with market-oriented operation. It adopts the operation mode of "industrial fund investment + heavy asset construction + preferential policy support + fully furnished buildings for enterprise moving in". A special laser industry fund of 250 million yuan has been set up, and Xiaogan Gaochuang Investment Co., Ltd., a wholly-owned subsidiary of the High-tech Zone's Management Committee, has invested in the construction of the factory building according to the heavy	15	Solely-invested	3	Luo Feng 19971081086	
---	---------	-----------------------	------------------------	------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----	-----------------	---	-------------------------	--

6	Xiaogan	Big Healthcare Industrial Park	Manufacturing industry	Great Health Industry	Xiaogan High-tech Zone focuses on the big health industry, gives full play to its advantages in location and ecological environment, and is committed to building a first-class characteristic park in the central region, becoming a new base for accelerating the development and upgrading of the big health industry in Hubei Province. The planned area of the park is 1,000 mu, with a total investment of 3 billion yuan, focusing on introducing investment projects in biomedicine, medical equipment, health food and other industries. At present, there are a number of key enterprises in the high-tech zone, such as Haiwang Medicine, Huaren Tongji	30	Solely-invested	3	Fang De 18140671398	
7	Xiaogan	Graphene Industrial Park Project	Manufacturing industry	Advanced Material Industry	Graphene Industrial Park is a key investment project for High-tech Zone to focus on strategic emerging industries and serve cutting-edge scientific and technological innovation investment. Graphene special industrial funds are set up to make use of existing land and factories and attract graphene industrial enterprises. The overall planning of the industrial park is 500 mu, and 250 mu has been built at present. Enterprises such as Shenzhen Yuewang	20	Solely-invested	5	Zou Xing 17771213141	

8	Xiaogan	Xiaogan Digital Economic Industrial Park	Manufacturing industry	R & D Design and Technology Service Industry	The project is based on the local leading industries in Xiaogan, and will focus on the Internet of Things, cloud computing, big data, artificial intelligence, IC and other new generation information technology industries, introduce a number of digital industry enterprises, open up the "cloud management terminal application" and "R & D + leading + supporting" vertically	40	Solely-invested	5	Zou Xing 17771213141	
9	Xiaogan	Xiaogan Airport-based Medical Device Industrial Park	Manufacturing industry	Biomedicine and Medical Device Industry	The project will center on pharmaceutical R&D and advanced medical equipment industry, bring together companies and engineering technology centers engaged in R&D of medical devices , build a high-end medical device	10	Solely-invested	3	Tian Yitian 0712-2490688	
10	Xiaogan	Xiaogan Airport New Energy Vehicle Industry Base	Manufacturing industry	Automobile Manufacturing Industry	The project is intended to rely on the foundation of Wuhan automobile production and manufacturing base and the industrialization of special vehicles in the city, and is committed to building an innovation-driven new energy vehicle industry chain with distinctive features, focusing on the development of motor and control system of new energy vehicles, power battery	5	Solely-invested	3	Tian Yitian 0712-2490688	

11	Xiaogan	Xiaogan Airport 5G Optical Communication Industry Base	Manufacturing industry	Optical Communication and Laser Industry	The project will focus on R&D of 5G optical communication-related products and basic optical communication equipment manufacturing industry, gather enterprises engaged in R&D and production of optical communication products and technical experiment centers, build a platform for R&D, technical exchange and technical services in optical communication industry, bring	10	Solely-invested	3	Tian Yitian 0712-2490688	
12	Xiaogan	Xiaogan Airport High-end Equipment Manufacturing Industry Base	Manufacturing industry	High-end Equipment Industry	The project will take manufacturing of aviation equipment, rail transportation equipment, special equipment and intelligent equipment as its core, bring together a number of high-tech led enterprises in the high-end of the value chain and the core link of the industry chain, enhance the overall	5	Solely-invested	3	Tian Yitian 0712-2490688	
13	Xiaogan	Xiaogan Airport Crossing Tianhe Wisdom Valley Industrial Park	Manufacturing industry	High-end Equipment Industry	The project will mainly be constructed by Hubei Communications Investment Group Co., Ltd. and will focus on building a high-end	20	Unlimited	3	Tian Yitian 0712-2490688	

14	Xiaogan	Xiaogan Airport New Energy Battery Industry Base	Manufacturing industry	New Energy Industry	The project will take the new energy lithium battery industry chain as the core, gather the supporting leading enterprises engaged in each link of the upstream and downstream of the new energy battery production chain, and build a new energy battery industry research and development, technology exchange and technology service platform. At present, Hengxin Chuneng new	50	Unlimited	5	Tian Yitian 0712-2490688	
15	Xiaogan	Xiaogan Airport Aviation Industry Base	Manufacturing industry	Aerospace Industry	The project will take the production and manufacturing of aviation parts, avionics, aircraft maintenance and other related industries as the core, take advantage of the advantage of being close to Tianhe Airport, gather a number of high-tech enterprises engaged in the production, manufacturing and R&D of	10	Solely-invested	3	Tian Yitian 0712-2490688	
16	Xiaogan	Xiaogan Airport Cross-Border E-Commerce Industrial Park	Transportation, warehousing and postal service industry	Modern Logistics Industry	The project covers an area of about 341 mu and is located in the Modern Logistics Park of the Airport Zone. It will build a cross-border e-commerce industrial park integrating bonded warehousing, logistics, transshipment and settlement for cross-border e-commerce around the bonded B-type park	20	Solely-invested	3	Tian Yitian 0712-2490688	

17	Xiaogan	Xiaogan Airport Phoenix Tourism Zone	Culture, sports, and entertainment	Others	The Phoenix Tourism Zone project is located in the east of Yezhu Lake, west of Hanxiao Avenue, south of Hanxiao City Railway and north of Fuhe River in the Airport Economic Zone, with a zone area of about 15.8 square kilometers. It is 5 km away from Tianhe Airport, 16 km away from Wuhan downtown, 13 km away from Wuhan North Grouping Station, and 36 km away from Wuhan New Port. The area has a	200	Unlimited	5	Tian Yitian 0712-2490688	
18	Xiaogan	Jiangnanli "Hot Spring Hotel" Project	Culture, sports, and entertainment	Great Health Industry	The project covers land of 131 mu, with a total investment of 660 million yuan. It has a plot ratio of 1.2 and a total floor area of 90,592.05 square meters. It is mainly designed for medical rehabilitation, health services and wellness services. It mainly operates experience-oriented agricultural projects, wellness-oriented hotels, wellness-oriented residential projects and nutritious diet centers. It consists of four zones developed for wellness-oriented residential projects, experience-oriented agricultural projects, health & tourism, and nutritious	6.6	Solely-invested	2	Yin Xifei 15171268777	

19	Xiaogan	Paper Industrial Cluster Project	Manufacturing industry	Advanced Material Industry	At present, there are 41 paper production enterprises in Xiaonan District, including 18 enterprises above designated size, 3 enterprises with an annual output value of more than 1 billion yuan, and 9 enterprises with an annual output value of more than 100 million yuan. The production capacity of the paper product industry has reached 1.805 million tons (including 500,000 tons of household paper), covering markets in Central China and reaching those in eastern, southwestern and northwestern regions in China. In 2009, the household paper industry in Xiaonan District was included in the key industrial clusters in Hubei	5 billion yuan	Solely-invested	5	Cheng Junjun 13477726260	
----	---------	----------------------------------	------------------------	----------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------	-----------------	---	-----------------------------	--

20	Xiaogan	Hygiene Products Industrial Park Project	Manufacturing industry	Advanced Material Industry	Hubei Provincial People's Government vigorously supports Xiaonan District's initiative of developing into the "Capital of Hygiene Products in China" which has been deemed as a typical case for county-level industrial transfer, characteristic development, and staggered development. At present, hygiene products in Xiaonan District have developed in large scale and received brand publicity in China. Well-known hygiene product suppliers as Heng'an Group in Fujian Province, Vinda Group in Guangdong Province, Guilin Geron Industry Co. Ltd. in Guangxi Province, Hangzhou Qianzhiya Sanitary Products Co. Ltd. and	5 billion yuan	Solely-invested	5	Cheng Junjun 13477726260	
----	---------	------------------------------------------	------------------------	----------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------	-----------------	---	-----------------------------	--

21	Xiaogan	Auto Parts Industrial Park Project	Manufacturing industry	Advanced Material Industry	Xiaonan District is an important node of Hubei's "Automotive Industry Corridor", and it is endowed with unique geographical location advantages. At present, it accommodates 17 auto parts manufacturers and supporting enterprises including Ningbo Huade Automobile Parts Co., Ltd., Hubei Huixiang Auto Parts Co., Ltd., Guangdong Hongjun Precision Machinery Co., Ltd., and Xiaogan Sanyang Plastics Technology Co., Ltd. etc. In addition to the electroplating industrial parks approved at the provincial and municipal level, it also accommodates enterprises providing surface treatment for	Over 50 million yuan for a single project	Solely-invested	5	Cheng Junjun 13477726260	
22	Xiaogan	Food Industrial Park Project	Manufacturing industry	Modern Agricultural Products Processing Industry	The project is located in the south of the parallel line of the National Highway 316 in Xiaogan City. The project plans to cover land of over 2,000 mu. It accommodates leading enterprises such as Qinqin Foodstuffs Group, Kong WENG, Xingdadang Food (Hubei) Co., Ltd., Hubei Good Beverages LLC, and Xiaogan	Over 50 million yuan for a single project	Solely-invested	5	Cheng Junjun 13477726260	

23	Xiaogan	New Material Industrial Park	Manufacturing industry	Advanced Material Industry	Efforts will be made to give full play to potential of Xiaogan Esun New Material Co., Ltd. and the production of main products such as polylactic acid and polycaprolactone, in order to build the new material industry chain and develop an environmentally friendly new material industrial park. Vigorous efforts will be made to bring in enterprises engaged	Over 50 million yuan for a single project	Solely-invested	5	Cheng Junjun 13477726260	
24	Xiaogan	Binjiang Garden, Ecological, Cultural and Tourism City	Culture, sports, and entertainment	Others	In the context of the urban spatial system of "one center, two sub-centers and multiple nodes", it has developed a new urban development pattern to create advantages in urban and rural development. In line with the urban development direction and path of "building a new city, transforming an old city, upgrading an industrial city and creating a cultural tourism city", attention is paid to integrating the elements and features of the riverside garden city in Jiangnan Plain and	500	Joint venture	5	Hu Guopeng 18671214988	

25	Xiaogan	High-speed Rail New Area Project	Real estate industry	Others	Hanchuan East Railway Station, located in the northeast of Hanchuan City, is a railway station under the jurisdiction of China Railway Wuhan Group Co., Ltd. It is a station shared by Wuhan-Xi'an High-speed Railway and Shanghai-Chongqing-Chengdu High-speed Railway. In the future, the Wuhan-Tianmen-Jingmen High-speed Railway may pass the New Hanyang Railway Station through Wuhan Hub	100	Joint venture	5	Li Jinfeng 13797124372	
26	Xiaogan	Food Industrial Park Project	Manufacturing industry	Others	It is planned to vitalize the existing 40mu unused space and workshops in Haodi Industrial Park in Yingcheng Development Zone (including 2 4-storey standard brick-concrete workshops (2000 square meters per floor) and 1 steel workshop of 10,000 square meters), introduce and construct a number of food and condiment	10	Solely-invested	2	Xu Zhaoshan 13789963269	
27	Xiaogan	Condiment Industrial Park Project	Manufacturing industry	Others	The project is planned to be located in Silipeng Salinization Park in Yingcheng City. It mainly relies on the advantages of raw materials, transportation and logistics of well-known national salinization enterprises such as Yingcheng Xindu Chemical Co., Ltd. and Jiuda (Yingcheng) Salt Making Co.	10	Solely-invested	2	Peng Zhihua 13972654268	

28	Xiaogan	Glutinous Rice-oriented Modern Agricultural Industrial Park Project	Manufacturing industry	Modern Agricultural Products Processing Industry	The project, with an investment of 2 billion yuan and covering land of about 3,000 mu, is located in towns such as Tiandian Town, Yanghe Town and Yangling Town of Yingcheng City. Driven by leading enterprises such as Hubei Sino Rock Cereals, Oils and Foodstuffs Co., Ltd., the 3000 mu-glutinous rice-oriented	20	Solely-invested	2	Li Jun 0712-3222549	
29	Xiaogan	Industrial Park of Mother and Baby Skin Care Products and Cosmetics	Manufacturing industry	Great Health Industry	Yingcheng Economic Development Zone takes mother and baby skin care products and cosmetics as its leading industry, and has successively brought in a number of enterprises such as Hubei Yanzhuang Industry Co., Ltd., Zhongyan Tea Makeup (Yingcheng) Co., Ltd., Hubei Zhuming Biotechnology Co., Ltd., Hubei Herun Natural Daily Chemical Co., Ltd. and Hubei Shu Xin Sanitary Products Co., Ltd. The industries inside the park have	5	Solely-invested	3	Xu Zhaoshan 13789963269	
30	Xiaogan	Adhesives Project (50,000t/year)	Manufacturing industry	Advanced Material Industry	The project is located in Saifu Industrial Park, Changjiang Port, Yingcheng City. It is planned to invest 450 million yuan to build projects for production of various adhesives with an annual output of 50,000 tons, including 13,000 tons of	4.5	Solely-invested	2	Gao Tian 13995551727	

31	Xiaogan	High-end Coating Industrial Park Project	Manufacturing industry	Advanced Material Industry	The project, with a planned investment of 3 billion yuan and covering land of about 4,000 mu, is located in Dongcheng Industrial Park, Dongmafang Sub-district, Yingcheng City, Nan	30	Solely-invested	3	Tao Jintao 13886393978	
32	Xiaogan	Hubei Elevator Industrial Park Project	Manufacturing industry	Intelligent Manufacturing Equipment Industry	In the context of accelerated urbanization, increasing urban population, rising residential demand, accelerated renovation of old residential areas and relevant favorable policies, the market demand for elevators is rising. In addition to existing elevator suppliers, such as	50	Solely-invested	3	Xu Zhaoshan 13789963269	
33	Xiaogan	International Automobile City Project	Manufacturing industry	Automobile Manufacturing Industry	The project is proposed to be located at Hengjiu Road, Economic Development Zone, Yingcheng City. It is planned to cover land of 200 mu. With an investment of 1 billion yuan, it is planned and designed according to current advanced industrial standards. Specialized 4S stores, direct-sale stores, high-quality used-	10	Solely-invested	3	Xu Zhaoshan 13789963269	
34	Xiaogan	Ecological & Healthcare Center Project	Other	Great Health Industry	The project, with a planned investment of 3 billion yuan, relies on cultural and tourism projects like Longchi Villa and National Mining Park in the west of Yingcheng. It brings in large-scale ecological and healthcare projects, and plans to build a comprehensive international healthcare-oriented cultural complex focusing on medical care and	30	Solely-invested	3	Zheng Sheng 13707293206	

35	Xiaogan	Smart Logistics Park Project	Other	Modern Logistics Industry	In the context of rapidly developing e-commerce in China, Internet+ "entrepreneurship and innovation" programme and nation-wide entrepreneurship initiatives, the rural specialized e-logistics market in third and fourth-tier cities and surrounding towns and villages has ushered in broad development prospects. The project, with a total investment of 300 million yuan and covering land of 300 mu, plans to construct a logistics information service platform	3	Solely-invested	3	Ding Yuxiang 15727094166	
36	Xiaogan	Chengbei Agricultural Products Center Project	Other	Others	The project covers land of 80 mu and has a floor area of 30,000 square meters. It integrates wholesale, logistics and e-commerce of agricultural products. Tubular framed sheds	1	Solely-invested	3	Yan Qi 15926876777	
37	Xiaogan	Commercial Complex Project	Other	Others	The project, with a planned investment of 2 billion yuan, mainly makes use of the prime area from Heng'er Road to the intersection of Hengjiu Road and Shiji Avenue to develop and build a large-scale commercial complex with	20	Solely-invested	3	Xu Zhaoshan 13789963269	
38	Xiaogan	New Energy and New Materials Industrial Park Project	Manufacturing industry	New Energy Industry	Investment promotion related projects throughout the whole industrial chain of new energy and new materials will be developed. Over 20 enterprises engaged in new energy and new materials will be brought in, aiming to generate an annual	100	Solely-invested	5	Xiong Wen 13307294800	

39	Xiaogan	Auto Parts Industrial Park Project	Manufacturing industry	Automobile Manufacturing Industry	Investment promotion related projects will be developed throughout the supply chain of auto parts. Over 15 auto parts enterprises will be brought in, aiming to generate an annual output value of over 5 billion yuan. Projects for electrical	50	Solely-invested	5	Xiong Wen 13307294800	
40	Xiaogan	Eco-friendly Salt Chemical Engineering Park Project	Manufacturing industry	Modern Chemical Industry	Investment promotion related projects will be developed throughout the supply chain of salt chemical engineering and fine chemical engineering. Over 50 enterprises engaging in salt chemical engineering, downstream fine chemical engineering, pharmaceutical chemicals, organosilicon, electronic chemicals, high-purity gases and reagents will be brought in, aiming to	500	Solely-invested	5	Xiong Wen 13307294800	
41	Xiaogan	Urban Mineral Industrial Park	Manufacturing industry	High-end Equipment Industry	This project focuses on industry chain project promotion for the supporting construction and development of the downstream industries of the urban mineral industry chain. More than 30 non-ferrous metal smelting and machining enterprises with annual output worth more than 30 billion yuan will be brought	100	Solely-invested	5	Xiong Wen 13307294800	
42	Xiaogan	Biomedical Industrial Park	Manufacturing industry	Biomedicine and Medical Device Industry	This project focuses on industry chain project promotion for the supporting construction and development of the biomedical industry chain. More than 20 biomedical enterprises with annual output worth more than 60 billion yuan will be brought	50	Solely-invested	5	Xiong Wen 13307294800	

43	Xiaogan	Tourism and Cultural Industry Project	Cultural tourism	Cultural tourism	Relying on the cultural heritage of Yunmeng, such as ancient Yunmeng Lake, Walled Town of the Chu King, and Huang Xiang's hometown, as well as the existing cultural tourism resources such as Chuwangcheng Ruins Park, Xiangshan Museum, Xiangyun Bay, and Huangxiang Cultural Park, and good natural and	300	Joint venture	5	Xiong Wen 13307294800	
44	Xiaogan	Food Processing Industry Project	Agriculture, forestry, animal husbandry and fishery	Modern Agricultural Products Processing Industry	Relying on Yunmeng's rich agricultural resources, abundant green vegetables and high-quality glutinous rice, as well as more than 10 provincial and municipal leading agricultural industrialization enterprises, this project will bring in deep processing enterprises such as	50	Solely-invested	5	Xiong Wen 13307294800	
45	Xiaogan	Green Building Materials Industrial Park	Manufacturing industry	Green Building Materials Industry	This project focuses on supporting products, production factors, and markets in Wuhan, and deepening cooperation with China (Hubei) Pilot Free Trade Zone, East Lake High-Tech Development Zone, and Wuhan Economic Development Zone. Being not far from Wuhan, the project has location advantages and can undertake Wuhan's industrial transfer. The Green Building Materials Industrial Park is only 7 kilometers away	100	Solely-invested	5	Xiong Wen 13307294800	

46	Xiaogan	Anlu Auto Parts Machinery Industrial Park	Manufacturing industry	Automobile Manufacturing Industry	Anlu is located at the important node of the Wuhan-Xiangyang-Shiyan "automobile corridor", and is an ideal production base for manufacturing automobiles and their parts. Relying on a number of existing auto parts enterprises such as Hubei Creatwell Copper Foil Co., Ltd., Hubei Asia Steel Metal Manufacturing Co., Ltd., Hubei Huabo Auto Parts Co., Ltd., Hubei Minchi Auto Parts Co., Ltd., and Hubei Jiutian	20	Unlimited	5	Xiong Yuanlin 15807296899	
47	Xiaogan	Anlu Optoelectronic Information Materials Industry Project	Manufacturing industry	Integrated Circuit Industry	Anlu has a large number of enterprises engaging in basic electronic information materials, such as Camelot Electronic Technology Co., Ltd., Hubei Jingxian Technology Co., Ltd., Hubei Youdehui New Energy Technology Co., Ltd., Hubei Hanjuxin Electronic Technology Co., Ltd., and Liju Battery(Hubei) Co., Ltd. The products cover electronic copper foil, liquid crystal	50	Unlimited	5	Xiong Yuanlin 15807296899	

48	Xiaogan	Anlu New Materials Industrial Park	Manufacturing industry	Advanced Material Industry	Anlu's new materials enterprises engage in five categories of new materials: paper packaging materials, thin films, environmentally friendly alternative materials, biodegradable materials, and recyclable waste. There are more than 20 varieties of the products, mainly including pearlized film, heat-sealing film (Hubei Yong Run Film Ltd), explosion-proof film (Hubei Guanchang Adhesive Technology Co., Ltd.), label film, CPP composite film (Hubei Dewei Packaging Technology Co., Ltd.),	20	Unlimited	5	Xiong Yuanlin 15807296899	
49	Xiaogan	Anlu Green Building Materials Industry Project	Manufacturing industry	Green Building Materials Industry	New building materials industry is a strategic emerging industry in China, with the "three highs and one wide" characteristics (i.e. high technology intensity, high R&D investment, high value-added products, and wide application). In recent years, Anlu has become home to a large number of new building materials companies, such as Hubei Baizhaoshan Cements Co., Ltd., Hubei Green Forest New Material Co., Ltd., Anlu Lvchuang New Building	20	Unlimited	5	Xiong Yuanlin 15807296899	

50	Xiaogan	Anlu Xicheng New District (New High-speed Railway District) Industry-City Integration Project	Water conservancy, environment and public facilities	Others	The planned total area of Xicheng New District in Anlu is about 17.3 square kilometers, and the first phase covers an area of about 6 square kilometers. Infrastructure such as road and pipe networks and power lines is under construction. At present, facilities such as the road in front of the high-speed railway station and its surrounding supporting roads have been built. The Anlu Xicheng New	300	Unlimited	10	Xiong Yuanlin 15807296899	
51	Xiaogan	Anlu Yun Liquor (Intangible Cultural Heritage) Culture and Production Project	Manufacturing industry	Modern Agricultural Products Processing Industry	Anlu's wine culture has a long history. Hubei Anlu Yunjiu Winery was founded in 1956, mainly producing "Bishan Brand" Yun liquor of different quality. Because of its excellent quality, Yun liquor has been rated as famous liquor in Hubei Province for many times, and loved and appreciated by consumers. The Anlu Yun	10	Unlimited	3	Xiong Yuanlin 15807296899	
52	Xiaogan	Printing & packing	Printing & packing	Manufacturing	Dawu is of convenient transportation and has abundant human resources. The existing printing and packaging enterprises above designated size, such as Hubei Jinghua Colour Printing Company Limited, Hubei Guanghua Packaging Co., Ltd., and Hubei Aite Packaging Co., Ltd., have an annual output value of 500 million yuan. It is planned to introduce enterprises to invest in the construction of printing and packaging industrial park,	5	Solely-invested, joint venture	3	Jiang Li 0712-7210589	Compliant with industrial planning and environmental protection requirements

53	Xiaogan	Metal & electronics	Metal & electronics	Manufacturing	Dawu County has abundant electricity and labor. Relying on the leading role of Wuchang Shipbuilding Industry Group Co.,Ltd, a series of projects have been introduced, such as the project of Hubei Runxiang Heavy Industry Technology Co., Ltd., the high-end alloy steel project of Hubei Hongye New Material Technology Co., Ltd., the LED lamp project of Hubei Bld Technology Co., Ltd., the project of Xiaogan	5	Solely-invested, joint venture	3	Jiang Li 0712-7210589	Compliant with industrial planning and environmental protection requirements
54	Xiaogan	Modern Agricultural Planting and Sightseeing Park	Modern Agricultural Planting and Sightseeing Park	Culture, sports, and entertainment	The Dawu Mountain area covers an area of 2.37 million mu, mostly low mountains and hills, with abundant rainfall, distinct four seasons, pleasant climate and convenient transportation, which is suitable for the development of modern agricultural projects integrating planting, tourism and leisure. It	10	Solely-invested, joint venture	10	Jiang Li 0712-7210589	Compliant with industrial planning and environmental protection requirements
55	Xiaogan	Zhuangbazhai Scenic Area Development	Zhuangbazhai Scenic Area Development	Culture, sports, and entertainment	Zhuangbazhai Scenic Area and Huangpi Mulan Scenic Area are linked together, which is conducive to improving the current situation of their service facilities, enhancing their service function, preserving their original ecology and local civilization, and enhancing Dawu's popularity among	10	Solely-invested, joint venture, and cooperation	10	Jiang Li 0712-7210589	Consistent with tourism industry planning

56	Xiaogan	Machinery and Electronics Supporting Industrial Park	Manufacturing industry	New generation information technology (optics, chips, screens, terminals, and the Internet)	Machinery and electronics industries are key industries that Xiaochang County is striving to develop. At present, many enterprises, such as Hubei QUEEN-OCEAN Electrical APPLIANCE Manufacture Co., Ltd., Hubei Longteng Electronic Technology Co., Ltd., Hubei Quanchengxin Electronics Co., Ltd., Hubei	15	Unlimited	5	Luo Yunqiang 15007299166	Single project is worth more than 30 million yuan
57	Xiaogan	Biomedical Industrial Park	Manufacturing industry	Great Health Industry	Biomedicine is a key industry in Xiaochang County. At present, many biomedical production enterprises, such as Lishizhen Health Industry Base, Xiuzheng Pharmaceutical Group Co., Ltd., and Hubei Nakato Pharmaceutical	10	Unlimited	5	Luo Yunqiang 15007299166	Single project is worth more than 30 million yuan
58	Xiaogan	Development and Construction of Xiaohe Ancient Street in Ming-and-Qing-style	Culture, sports, and entertainment	Others	Huanxi Street in Xiaohe Town was built in the Song Dynasty and has a long history. Although it has gone through vicissitudes, its Ming-and-Qing-style architecture remains intact. On the Huanxi Street there are historical buildings such as "Gongsun Bridge", "Stone Bridge with a Night View", "Tianguan Mansion", "Siguan Hall", "North and	10	Unlimited	3	Li Huitao 13797146119	
59	Xiaogan	Modern Logistics Park	Transportation, warehousing and postal service industry	Modern Logistics Industry	A three-tier logistics system will be built in Xiaochang County. Logistics headquarters will be built in the county to coordinate the county's freight logistics (cold chain logistics, aquatic products logistics, general logistics, etc.). Specifically, Internet of Things, a warehousing center, an e-	5	Unlimited	2	Luo Yunqiang 15007299166	

60	Xiaogan	Automotive Aftermarket Project	Residential services, repair, and other services	Others	Focusing on the automotive aftermarket and e-commerce incubation base, this project will cover auto show room, flagship street, automobile-themed hotel, and other functions.
