

Catalogue of export production industrial enterprises city of Mogilev

Company name, contact information	Main activities	Kinds and types of commodity products offered for export
JSC "Mogilevsky zavod "Electrodvigatel" Site: www.mez.by E-mail eldvig@mogilev.by	Production of electric motors, electro-acoustic signaling devices, and consumer goods	1. Three-phase induction electric motors AIS63, AIS71, AIS80, AIS90, AIS100, AIS100K, AIS112, AIS132, AIS160, AIS160K, and AIS180 with 0,12 to 18,5 kW power, 750 to 3000 rpm rotational speed, 40 to 720 V standard voltage range, 50 Hz and 60 Hz frequency. 2. Single-phase induction electric motors AISE63, AISE71, AISE80, AISE90 and AISE100K with 0.12 to 2.2 kW power, 1500 rpm and 3000 rpm rotational speed.
JSC "Mogilev "Strommashina" Plant" Site: www.strommashina.by E-mail strommashina@mail.ru	It specializes in production of equipment and technological lines for manufacturing building materials, concrete sleepers, tower cranes, mining equipment, oil-production equipment.	Equipment and production lines for manufacturing ceramic and refractory bricks(clay rippers, feeders, rolls, mixers, crushers, disintegrators, semi-dry moulding presses, extruders, clay cutting machines) for brick factories of capacity from 5 mln. to 75 mln. bricks per year; Equipment and production lines for manufacturing asbestos-and-cement articles (corrugated and flat asbestos boards, asbestos-and-cement pipes); Production lines for manufacturing prepared roofing paper, glass fibre cloth; Production lines for manufacturing prestressed concrete sleepers and switch bars; Vibrating presses for manufacturing side-walk tiles, border stones and wall stones; Oil-production equipment; Mining equipment; Pig-iron tubbings for shaft fastening of underground structures and mines; Tower cranes KBM-401P (КБМ-401П) (maximum boom is 40 m, maximum hook height is 74 m, maximum carrying capacity is 10 t); Equipment for production pectinated plates; Equipment for production fine ceramics. In confirmation of high quality and reliability of its equipment the plant has a certified quality management system of compliance to the international standard ISO 9001-2008, STB ISO 9001-2009, GOST ISO 9001-2011.
JSC «Mogilevliftmach» Site: www.liftmach.by E-mail: liftmach@liftmach.by oves@liftmach.by	Passenger lifts, technique for agriculture, consumer goods, construction equipment, woodworking and home appliances	Passenger lifts with load capacity of 225, 300, 320, 400, 450, 630, 1000 and 1275 kg and traverse speed of up to 2,0 m/s; - Freight lifts with load capacity 100, 250, 500, 1000, 2000, 3200, 5000, and 6300 kg; - Lifts for hospitals with load capacity 500, 630, 1000, 1275 and 1600 kg; - Covered and uncovered lifting platforms for disabled people with vertical and horizontal displacement; - Spare parts and equipment for the update of depreciated and worn out lifts are

		<p>manufactured.</p> <p>JSC Mogilevliftmash manufactures the following construction equipment: mast construction hoists and construction platforms.</p> <p>The manufacture of low forest chippers has been developed.</p> <p>JSC Mogilevliftmash manufactures some agriculture machinery:</p> <ul style="list-style-type: none"> - disk tilthers AD-600 “Rubin”; - spare parts and units for grain cleaning and drying complexes, equipment for livestock breeding complexes. <p>Consumer goods: woodworking machines IE-6009A2.1, IE-6009A4.2, winches for cultivation of private gardens, fodder shredders.</p>
<p>JSC Mogilev Metallurgical Works Site: www.mmz.by E-mail: mmz@mmz.by</p>	<p>Manufacturing of metallurgical products</p>	<p>1. steel water gas supplying tubes State Standard 3262-75, Hollow welded profiles structural cold formed from non-alloyed and fine-grained steel DIN EN 10219:2006, DIN EN 10305-3,</p> <p>2. profile Steel Tubes State Standard 13663-86, 8645-68, 8639-82, hollow welded profiles structural cold formed from non-alloyed and fine-grained steel DIN EN 10219:2006,</p> <p>3. steel tubes, applicable for tapping, common type DIN 2440, shot casting and shot-blasting cleaning of casting, forged pieces and other products before and after thermal treatment;</p> <p>4. surface preparation of details under galvanized cover, enameling, cleaning of cutting instrument, thin-walled rolling from carbonaceous, low-carbon and alloyed steel;</p> <p>5. scrubbing of small-sized foundry goods in engineering industry by the increased requirements to roughness of large and middle nonferrous castings;</p> <p>6. scrubbing of iron and steel middle, heavy and especially heavy casting for diesel engine building, hydraulic turbines, blowing machines, turbo generators, fabrication mill, cylinder blocks of automobile and tractor motor;</p> <p>7. reinforcement of torsion shafts, spring plates, cylindrical twisted springs, details of complex geometrical molding boxes.</p> <p>8. iron manholes of access gullies GOST 3634-99 EN 124-1994 are used for underground infrastructure, for heat, gas supply pipeline and cable networks of water piping, sewage system.</p>
<p>SC "OLSA" Site: www.olsa.by E-mail: olsa_garden@tut.by</p>	<p>Camping furniture, home furniture and furnishing medical furniture to health facilities</p>	<p>Garden swings, chairs, chaise lounges, goods for children, folding Chairs, rocking , chairs, deck chairs, folding beds, tables and chairs, convertible beds, furniture sets, medical furniture, household furniture</p>
<p>JSC «Mogotex» Site: www.mogotex.com e-mail: mogotex@mogilev.by</p>	<p>Textile products</p>	<p>Wide range of fabrics for special clothes and uniforms, raincoat fabrics, fabric for the special gear and leather goods industries, lining, decorative, furniture, curtains, knitted, technical fabrics, uniform and work clothing, home textile products. <u>fabrics for design, technical textile</u></p>

JSC "Obuv" Site: www.shagovita.by E-mail: shagovita@shagovita.by	Children shoes	Boots, shoes, boots, boots, shoes, summer shoes (sandals) - for children of all ages from kinder-garden to school groups.
JSC «MOGELIT» Site: www.gelatin.by E-mail: mojelit@yandex.ru	Gelatin products	Different types of gelatin, dry concentrates jelly, precipitated feeding phosphate (dicalcium phosphate), and technical animal fat grade 3.
JSC "Mogilevdrev" Site: www.mdrev.by E-Mail: info@mdrev.by	Furniture from a file of a pine and joiner's products	wide range of beds (single and double, two-story), lockers, cabinets, tables and tables for computer, shelves, wardrobes, kitchen furniture, board from a file of a pine for windows and balcony blocks.
UPSPC "TEHNOLIT " Site: www.tehnolit.by E-mail: info@tehnolit.by	Production of components and spare parts for automotive, road, railway, agricultural, construction and special machinery	Components for railway transport Components for engines UTD20, B2, B46, D12, D6 Components for turbochargers Components for tractors K700, T150 Components for hydraulic transmissions Components for diesel hammers Components for reciprocating compressors Components for 2-stroke engines Components for MAZ, BelAZ and other Components for centrifugal pumps Components for marine and river transport
CJSC "Prommash" Site: www.big-bag.by E-mail: prommash@big-bag.by	container with soft tissue	Container type with soft tissue BIG-BAG, SLING-BAG и LINER-BAG.
JSC «Mogilevkhimvolokno» Site: khimvolokno.by E-mail: mogilev@khimvolokno.by	dimethyl terephthalate, PET chips (including bottle grade chips), polyester fibers and yarns	Organic Synthesis Factory producing dimethyl terephthalate, polyethylene terephthalate, fatty acid methyl esters; Synthetic Fiber Factory producing polyester fiber, PET chips, composite materials, polyester substrates for roofing material, geotextile, polyester fiber-based nonwovens of various application, strapping band; industrial yarns; Synthetic Film Factory producing a range of polypropylene, polyethylene films, polyester films with printing, metallized films, multi-layer films, polypropylene packing cloth; Mechanical Repair Factory producing equipment for chemical production plants and spare parts for this equipment.
CJSC «Mogilev Carriage Works» Site: mogvagonzavod.ru E-mail: mogvagonzavod@mail.ru		Hopper-wagon, General-purpose wagon, Covered general-purpose wagon, Four-wheel bogie, Platform.
Holding «Mogilev Dairy	Natural milk products	Milk, sour cream, cottage cheese, cream, yogurt, fermented baked milk, buttermilk, whey,

Company «Babushkina Krynka» Site: babushkina.by E-mail: inbox@babushkina.by		mayonnaise; solid, melting and soft cheeses, yogurt, cheese and others.
JSC "Mogilyov meat-packing plant" Site: www.mogmk.by e-mail: sosiska1000@mail.ru	Meat products	First class meat and offal (beef and pork), second class offal; Food beef, pork and bone fat; Dry fodder; Fodder fat; Sausage goods: boiled sausage, sausages, small sausages, smoked and cooked sausages, hard-smoked sausage, summer sausage, dry-cured sausage, smoked foods, offal sausage; Semi-finished meat products: cutlets, meat dumplings, large-lumped and portioned semi-finished meat products, minced meat, semi-finished meat products for culinary purposes and others.
JSC "Lenta" www.lentabel.by E-mail: lenta@mogilev.by	Textile fancy goods	Ribbons, braids, cords, textile fasteners "Velcro", curtains, table cloths, bedspreads, wraps, napkins, flounces, curtain sets, hair curlers, belts with high tenacity, medical bandage materials, hygienic masks, medical swabs, life-saving fire belt,
MJSC "KRAMET" Site: kramet.ru 212013, Mogilev, Gomelskoe shosse, 15a Tel./Fax +375 222 73-77-32 E-mail: kramet@kramet.ru	Production of consumer goods of high quality stainless steel	Tablewares, kitchen accessories and dishes for housekeeping and public food enterprises, knives, scissors, the consumer goods, in assortment: tweezers, stick for barbecue length 250, 440, 500, 600 and 630mm, the handle for window, the handle for furniture, a set for travel in the diplomat, closures/
